JORDAN LEE - JUNIOR WEB DEVELOPER

CONTACT INFORMATION

Email: jordan.lee@email.com | LinkedIn: linkedin.com/in/jordanlee-web

SUMMARY

Recent Computer Science graduate with hands-on experience building foundational websites with HTML, CSS, JavaScript, and beginner React projects. Looking for an entry-level frontend role.

EXPERIENCE & PROJECTS

Junior Web Intern | Local Digital Agency (2024)

- Maintained client WordPress websites and updated static HTML/CSS landing pages.
- Assisted senior developers with bug fixing in JavaScript form validation.

Student Portfolio Project: Created a personal portfolio using vanilla JavaScript and basic React hooks.

Todo List App: Built a simple task management app with localStorage in React.

SKILLS

HTML5, CSS3, JavaScript, Basic React, Git, Bootstrap
